

Research Fellow

Sandeep Thomas Chandy

sandeep.ctil@iift.edu

Sandeep Chandy is a Research Fellow at CTIL. Before joining CTIL, he was an Intern at the Department of Commerce, Government of India. As an Intern, he worked on matters relating to the Information Technology Agreement, negotiations on investment facilitation and regional antidumping measures for the Regional Comprehensive Economic Partnership (RCEP). He has also worked as a Researcher at the Centre for International Trade and Economic Laws, O.P. Jindal Global University (CITEL). His work at CITEL focused on the preparation of the quarterly Trade Policy Monitoring Reports published by the Centre on behalf of the Government of India. He has also interned with some of the leading law firms in India where he assisted in WTO disputes, international taxation matters and Fintech. Sandeep earned his LL.B from O.P. Jindal Global University and his B.Com from Mahatma Gandhi University.

Currently, he focuses on Market Access, Subsidies, Services and the intersection between international trade and technology.
