

REQUEST FOR PROPOSALS ON TRADE LAW CAPACITY BUILDING

Centre for Trade and Investment Law, IIFT (New Delhi)

About Centre for Trade and Investment Law

Centre for Trade and Investment Law (CTIL) was established in the year 2016 by the Ministry of Commerce and Industry, Government of India, at the Indian Institute of Foreign Trade, New Delhi. The Centre's primary objective is to provide sound and rigorous analysis of legal issues to the Government of India in the areas of international trade and investment law. The Centre aims to be a thought leader in the various domains of international economic law such as WTO law, investment law, and legal issues relating to economic integration. CTIL's mission is to engage with different stakeholders including central and state governments, think tanks, research centres, National Law Schools and other institutions rendering legal education in international economic law to independent legal professionals, industry, and private sector.

Request for Proposals

As part of its mission of imparting trade law capacity to governmental agencies, CTIL proposes to organize a three day training and capacity building programme for Indian Government officials working in the field of international trade and economic diplomacy. The training programme is scheduled to be organized in March, 2018. The training should encompass detailed aspects of international treaty negotiations, treaty drafting, dispute settlements involving World Trade Organization agreements, bilateral investment treaties, preferential trade agreements, and other treaties having a significance bearing on trade or investment.

Centre for Trade and Investment Law invites proposals from internationally recognized and reputed organisations with an established track record and expertise in providing training programmes for government officials in the aforementioned fields. The interested organizations may submit a detailed technical and financial proposal to the below mentioned address.
